

THE INTELLIGENCER.

LOCAL MATTERS.

BRIEF MENTION.

Cotton—Middlings, 81 to 84.

Agricultural Liens for sale at this office.

The public schools of this County are all well attended.

The blindstagers are still fatal among the horses in this County.

The farmers have commenced preparing their lands for another crop.

The Williamston Female College will open on Monday, 3rd of February.

Mr. N. K. Sullivan is still improving, and hopes soon to be able to attend to business.

Mr. Wm. J. Bolt is making some improvements to his residence near the Baptist Church.

A new calaboose is in process of erection on the town lot. It has two rooms, and will be both secure and comfortable.

Captain J. J. Fretwell and his accomplished bride left Anderson on Tuesday evening for a tour through Georgia and Florida.

Call on Newton Scott & Co. when you come to Anderson and see how cheap you can buy a handsome and substantial open or top buggy. Now is the time to secure a bargain.

There will be a meeting of the Good Templars at Ebenezer Church on the 26th inst. at 9 a. m. for the purpose of reorganizing Ebenezer Lodge. All Good Templars are invited to be present.

The railroads from here to Charleston agree to sell tickets to the Grange meeting, which assemblies there on the 4th of February, at three cents a mile each way. A large meeting is expected.

We learn that the burning of W. R. Parker's gin was not accidental, as at first supposed, and that suspicion points strongly to a colored woman as the incendiary. The case should be investigated.

The elections for Trial Justice last week resulted as follows: Pendleton, W. H. D. Gaillard, Esq.; Fork, W. F. M. Fant; Centerville, S. S. Jones; Broadway, C. P. Rogers; Rock Mills, J. J. Gilmer.

We are requested to announce that Storeville Grange will meet on Friday before the first Saturday in February, at 10 o'clock a. m. Fifty packages of seed are to be distributed at this meeting. A full attendance is desired.

For the next ten days you can buy for the least money the best top or open buggy that has ever been brought to this market by calling on Newton Scott & Co., at Anderson C. H.

Partridges are more plentiful in this County this winter than they have been since the war, and those who like the sport of hunting them have made good use of their opportunities. The keeping up of all stock is the cause of their increase.

The Town Council will have shade trees planted along the streets adjoining the property of any citizen who will furnish the trees. Every one should endeavor to furnish them at once, and in a few years the streets of the town would be greatly beautified and improved thereby.

J. L. Tribble, Esq., has purchased the lot on Main street, which belonged to Mrs. Mary E. Sloan, adjoining the residence of Mr. D. S. Maxwell, and contemplates building upon it at an early day. He has had water casks set out along the street, and is fixing to make it a beautiful and attractive place.

A construction train on the Blue Ridge Railroad ran off about two miles above Anderson on Wednesday morning and broke the leg of Arthur Reeder, a colored brakeman, besides damaging the cab and tearing up the track. The wounded man received medical attention, and is doing as well as could be expected.

We are requested to announce that there will be a meeting of Cross Roads Division, Sons of Temperance, on Saturday, the first day of February next, at 3 o'clock p. m. Grand Worthy Patriarch, G. F. Tolly, will be present, and by invitation address the Division at that time. All of the members are earnestly urged to be present.

The trade of Anderson is holding up finely. Much more cotton is being received than for the same period of last year, and a greater area of country is buying and selling at this market. On Tuesday of this week we noticed six wagons from Hart County Ga., and several from Abbeville County on our square with cotton for sale.

The Fence Law is raising a rumour in Abbeville. If the dissatisfied farmers were to take a tour through Anderson County and see the practical workings of the law, they would return home with thankful hearts for the increased prospects of future prosperity. The more experience the people have with the law the better they like it.

Mr. Nathan Baruch, representing the MacKinnon Pen Co., is in town soliciting orders for this most useful and valuable invention. The pen holds ink enough in its staff to write for twenty-four hours without re-filling. The flow of the ink is regulated by atmospheric pressure, and the pen works most beautifully. He will no doubt receive numerous orders.

Of the many guides and seed and plant catalogues sent out by our seedsmen and nurserymen, and that are doing so much to inform the people and beautify and enrich our country, none are so beautiful, none so instructive as *Vick's Floral Guide*. Its paper is the choicest, its illustrations handsome, and given by the hundred, while its colored plate is a gem. This work, although costing but five cents, is handsome enough for a gift book, or a place on the parlor table. Published by James Vick, Rochester, N. Y.

Messrs. Barr & Fant have dissolved co-partnership. Capt. J. Reese Pant retiring from business for the present. This firm has done a large business, and made many friends in the County who will regret the withdrawal of Mr. Pant. He has, however, been succeeded by Messrs. J. Feaster Brown and William D. Brown, who, in company with Mr. W. F. Barr, will continue the business as heretofore, and will be found energetic, progressive and reliable business men. The new firm will receive a very liberal patronage from those who buy and sell in Anderson.

Capt. J. B. Patrick, a graduate of the Citadel, and for a number of years previous the close of the war a professor in the naval, has leased the beautiful Boyce place in Greenville, and with the assistance of Lieutenants H. T. Cooke and Phillip P. Ayres has opened a Military Academy in which a thorough course of study will be given. He has highly complimentary testimonials from Dr. J. C. Furman, Dr. J. C. Furman, Gen. Capers, and others. Price of tuition, board, use of text books, etc., \$115 term of 20 weeks. For further information address Capt. Patrick, at Greenville, S. C.

When the liver acts freely the digestion is good and the blood abundant. If the liver torpid, use Dr. Hartner's Liver Pills and you will be fortified against bilious attacks. It is sold by all druggists.

Townville.

Mr. John P. Lottetter, a young gentleman of this place, matriculated recently at Adger College, Wallisville. There was a fatal case of blindstagger among Townville's horses past week. The plowing season is about ended, though perchance one might see some cotton yet in the boll down in the Shallow Ford neighborhood "summers." Jonathan Pickrel, Esq., of this (Fork) township, is the parallel of Mr. James Martin, of Hopewell township, in every particular except age. Mr. Pickrel being 84. As surmised by "Veritas," your Townville correspondent for last week, our present Trial Justice, W. F. M. Fant, was handsomely re-elected to that office on last Friday, he having received 87 votes out of 142, which was the aggregate vote cast by Clubs Nos. 1 and 2. Mr. Fant is eminently qualified for the position, and has filled the office acceptably for the last two years. In a word, the Fork has made an excellent choice. W. R. Parker, colored, of this township, has met with a rather serious misfortune. Last week his gin house, and a considerable amount of cotton, and 200 bushels of corn were consumed by fire, the burning being caused by a box of matches coming in contact with the saw while the gin was running. He is confident that the matches were placed in the cotton with malicious intent by one of his colored slaves whom he is in some trifling way had offended. Bill surpasses the average freedman in thrift and shrewdness, and has accumulated considerable property, but in the light of his recent misfortune, coupled with growing dislike of him among both races, he now talks of selling out and "seeking a country."

A Card.

Mr. Editor: Please allow me through your columns to return my thanks to the citizens of the Fork township for their assistance to me in preventing the spreading of the flames which destroyed my cotton gin on the 10th inst. Also to return my thanks to Dr. W. T. Holland, and several others, for kindness shown in sending me corn and other provisions since the occurrence. Very respectfully, W. R. PARKER.

Club Meetings.

There will be an election for Trial Justice of Savannah township held at Davis Mill on Saturday, 25th inst. The polls will open at 10 o'clock a. m. and close at 4 p. m. Members of East Savannah and West Savannah Clubs are entitled to vote. Those who cannot attend can send sealed ballots with their names written thereon. Managers will be appointed in due time. D. L. WHITTAKER, Jr., Presidents. B. A. DAVIS.

There will be a primary election held at Sherard's Store on Friday, 24th inst., for Trial Justice of Corner township. Polls open from 10 o'clock a. m. until 3 o'clock p. m. Managers—B. F. Morrow, C. C. Simpson and Jerry Yeagin. Members of the Club unable to attend may send their tickets sealed up with their names written on the back of envelope. J. H. Rupp, President.

Hopewell Democratic Club will hold its primary election for Trial Justice Friday, 24th inst., at Ball's Old Mill. Polls open from 10 a. m. to 3 p. m. Managers—Capt. M. B. Williams, L. D. Stringer and L. W. Gentry. W. A. Nix, President.

New Salem, Rock Co., Oct. 27, 1877. Dr. Harter, Dear Sir: I suffered two years with a distressing cough; could get nothing to do it any good. I prevailed upon you to send me a bottle of your "Harter's Lung Balm." I was relieved at once, and by the time I had used three bottles, the cough was gone; I was sound and well. For sale by all druggists.

GRANGE DEPARTMENT.

Under the Supervision of the Executive Committee of Pomona Grange.

The following sub-Granges are clear on my books to 30th September last, being the third quarter for the year 1878, viz.: Nos. 71, 141, 176, 216, 235, 251, 266, 339, 340.

We are sorry to find that some of our best Granges have neglected to pay up the dues for the third quarter, and must appear on the delinquent roll next week. The fourth quarter for 1878 is also now due, and my report must close in a few days, as to place each Grange in its proper light before the State Grange, which will meet in Charleston on the 4th of next month. We hope that every delinquent will bring up arrears at once and secure the right of representation in the next meeting of the State Grange. J. W. NORRIS, Secretary Pomona Grange No. 6.

At a meeting of Slabtown Grange, held January 18th, the following preamble and resolutions were adopted: Whereas, at the recent convention of guano manufacturers, held in Augusta, Ga., it was resolved to raise the price of commercial fertilizers, notwithstanding the depressed price of cotton; and whereas, we are sure that farmers cannot realize any profit by the use of it at the price demanded, therefore be it

Resolved, That we, the members of Slabtown Grange, will not purchase any commercial fertilizers at all unless a price can be obtained to correspond with the low price of cotton.

Resolved, That we concur with Associate Grange No. 1 in advising all farmers to discontinue the use of fertilizers at prices now demanded.

Resolved, That a copy of these resolutions be sent to the INTELLIGENCER for publication in the Grange column.

MYNEALE.

MARRIED, on Tuesday, 21st inst., by Rev. W. H. Strickland, at the residence of Mr. B. Blackley, the bride's father, in the town of Anderson, Mr. JOSEPH J. PRET-WELL and Miss MARY C. BLACKLEY.

APPLETON'S JOURNAL, FOR 1879.

THE proprietors of APPLETON'S JOURNAL will henceforth devote it exclusively to literature of a high order of excellence, by writers of acknowledged standing. It is the growing habit of the leading minds in all countries to contribute their best intellectual work to the magazines and reviews; and, in order that *Appleton's Journal* may adequately reflect the intellectual activity of the time thus expressed, it will admit to its pages a selection of the more noteworthy critical, speculative, and progressive papers that come from the pens of these writers.

Fiction will still occupy a place in the *Journal*, and descriptive papers will appear; but large place will be given to articles bearing upon literary and art topics, to discussions of social and political progress, to papers addressed distinctly to the intellectual tastes of the public, devoted to subjects in which the public welfare or public culture is concerned.

TERMS OF APPLETON'S JOURNAL.—Three dollars per annum, in advance, postage prepaid by the publishers, to all subscribers in the United States or Canada, or Twenty-five Cents per number. A club of four yearly subscriptions will entitle the subscriber to one extra subscription gratis; that is, five copies will be sent one year for twelve dollars. *Appleton's Journal* and the *Popular Science Monthly* for one year, for \$20.00, including postage prepaid (full price, eight dollars).

The volumes begin January and July of each year. Subscriptions received for any length of time will be given the same privilege. B. APPLETON & CO., Publishers, 349 & 561 Broadway, New York.

ONE MINUTE TOO LATE.

The Execution of Sharpe and McDonnell, the Mollie Maguire murderers, at Mauch Chunk, Pennsylvania.

MAUCH CHUK, Pa., Jan. 14. The drop has just fallen, (10 a. m.) and the necks of Sharpe and McDonnell, the Mollie Maguire murderers, have been broken, but one minute too late.

MAURICE, Jan. 14. Governor Hartranft, who returned from Washington early this morning, finally agreed to extend the time for the execution of Sharpe and McDonnell to the 28th instant, but the news of the execution, in answer to his telegraphic request, of course prevented all further efforts to save the men. No hopes were entertained of a final pardon, and the Governor would only grant a reprieve for a few days. The Governor did not reach his office until a quarter before 10. After hearing the attorney's plea for a respite, he decided about half-past 10 o'clock to grant it. A telegram was then written and filed in the telegram office at 10:55, and sent at 10:56.

No further reason for the delay in facting the reprieve is given than the fact that the Governor did not reach his office until the time above indicated, which shows that very little time was lost after hearing the reasons for the request for the reprieve.

MAUCH CHUK, Jan. 14—9 p. m. When the Governor's reprieve arrived at the jail this morning a scene of intense excitement occurred, but although the culprits had only been hanging a few minutes there was no movement made toward cutting them down. The telegraph messenger reached the jail door before the drop fell, but no heed was taken of his knocking and ringing as the wife of one of the culprits had previously been extremely violent outside. When the drop fell the knocking and ringing continued, and the sheriff sent out men to arrest the parties whom he imagined to be creating a disturbance. It was then found to be the telegraph messenger with the reprieve. A brother of McDonnell, who had been kneeling by the scaffold, arose and excitedly charged the sheriff and bystanders with the murder of his brother. The excitement spread and the sheriff appealed to one of the priests, who exonerated him from blame. Amidst this excitement, the reproaches of the maddened brother of McDonnell and the wailings of the bereaved families outside, the culprits seem to have been forgotten and they remained hanging for thirty minutes after the drop fell. There is no reasonable doubt, however, that they were both dead when the reprieve came. After the bodies were cut down, they were placed in coffins and given to their families, whose cries could be heard for several blocks, adding greatly to the prevailing excitement.

TO THE TEACHERS OF ANDERSON & ADJOINING COUNTIES.

AMONG the BOOKS adopted by the State Board, for use in the Public Schools of South Carolina, the next Five Years, are

SANFORD'S ANALYTICAL ARITHMETICS.

By S. P. SANFORD, A. M., LL.D., Mercer University, Macon, Ga. Of these Arithmetics, based on the only true test—use in the school-room—one of our most skillful Teachers, Hon. Hugh S. Thompson, State Superintendent, (at the time of writing, as now, Principal of Columbia Male Academy,) says: "Sanford's Arithmetics are superior to any that I have seen in the fullness of the examples, the clearness and simplicity of the analyses, and the accuracy of the rules and definitions. This opinion is based upon a full and thorough test, in the school-room. To those Teachers who may examine these Arithmetics with reference to introduction, I would especially commend the treatment of Percentage and Profit and Loss. No text books that I have ever used are so satisfactory to teachers and pupils."

Sanford is now in acceptable use in Anderson County.

Sanford's Arithmetics can be obtained, for three months from commencement of introduction, at prices I and III below. Prices I, obtain at expiration of introduction period:

	I	II	III
	Retail.	Introductory.	Exchange, i. e., with book by other author.

" Intermediate " " "	45	30	22
" Common School " " "	85	55	40
" Higher " " "	1.25	85	63

Teachers, Public and Private, should unite in introducing Sanford's, and secure uniformly, which is economy itself. For sale in Anderson by
